ATTORNEY-GENERAL'S OFFICE, }
February 26, 1855. }

*To the Honorable the Speaker
of the House of Representatives:—*

Sir:—I have the honor to transmit to you, to be laid before the Legislature, the accompanying Abstracts and Tabular Statements of the Reports of the several District-Attorneys, and the Attorney of the Commonwealth for the county of Suffolk, for the year 1854, together with a statement of the cases which have required the attention of the Attorney-General in Court during that portion of the year that I have held the office.

This statement, however, presents a very inadequate and partial view of the labors of the office of Attorney-General. I was qualified under my present Commission on the 20th of May of the last year, thus making a period of about seven months embraced in this Report. From my former experience in the office, I can state with entire confidence to the Legislature, that, since its reëstablishment in 1849, its duties and responsibilities have increased more than fourfold. An illustration of the extent and variety of the calls to which the Attorney-General has occasion to respond, under a liberal construction, such as I have been accustomed to give to them, of the laws prescribing his official functions, will be found in the most recent experience of the office. During the period covered by this Report, from the 20th of May to the 31st of December

last, I have been consulted by, and given oral and written opinions upon important legal questions arising out of the diversified interests of the Commonwealth to, the following public officers :—

His Excellency the Governor,
Committees of the Executive Council,
The Secretary of the Commonwealth,
The Treasurer and Receiver-General,
The Auditor—the Adjutant-General,
The Bank Commissioners,
The Commissioners on the Back Bay,
The Harbor Commissioners,
The Inspectors of the State Prison,
The Secretary of the Board of Agriculture,
The State Actuary of Foreign Insurance Companies,
The Trustees of the State Lunatic Hospital,
The Boards of Examiners of Berkshire and Dukes Counties,
The Commissioners of the State Reform School for Girls,
The Superintendent of Alien Passengers,
The Agent of the Alien Pauper Commissioners, and several of the prosecuting officers, upon questions arising in their respective districts.

I have also attended the Supreme Court of the United States at Washington in the case against the State of Rhode Island, respecting the Boundary Line between the two States, referred to in the accompanying Statement.

In view of the duties of the office, it is sometimes indispensable that the Attorney-General, while engaged in those duties in court or elsewhere which cannot be delegated to other hands, should be authorized to employ such clerical assistance in other departments of his office as will prevent a delay of the public business. This is especially true of the preparation of the Abstracts of the Annual Reports of the District-Attorneys, which are required by law to be made by him for the use of the Legislature, at a period of the year when his other duties are most pressing.

I therefore venture to ask the favorable consideration of the Legislature to the order recently introduced into the House of Representatives upon this subject, and referred to the Com-

mittee on the Judiciary. I feel confident that the two branches will be satisfied, upon a knowledge of the facts, that such a provision of law as it contemplates is required by the exigencies of the public business.

All which is respectfully submitted.

JOHN H. CLIFFORD, *Attorney-General.*
